Shri B Uday Bhaskar, CGM, NABARD, congratulated banks on achieving 89.6% of the Annual Credit Plan target for FY 2024–25, disbursing ₹2.67 lakh crore out of the total target of ₹2.98 lakh crore. He further expressed his views as under:

- The overall achievement in Term loans is encouraging and highlights the growing momentum in agri-infrastructure and long-term activities. Banks should prioritize extending credit to support the growth and development of renewable energy initiatives.
- NABARD continues to promote affordable credit to agriculture and allied sectors through refinance support under STCRCF, STRRBF, and LTRCF schemes.
- The enhanced loan limit under the Modified Interest Subvention Scheme—from ₹3 lakh to ₹5 lakh for Kisan Credit Card loans—offers a great opportunity. He urged banks to extend the maximum eligible credit based on the Scale of Finance and actively include farmers from animal husbandry, dairy, and fisheries under the KCC umbrella. Timely digital processing will enhance efficiency and coverage.
- Leveraging schemes like the Agriculture Infrastructure Fund (AIF), Agricultural Marketing Infrastructure (AMI), and PM Formalisation of Micro Food Processing Enterprises (PMFME) can significantly boost Telangana's agricultural and food processing sectors. Banks can facilitate access to these funds by providing information, assisting with applications and offering complementary financial products. Furthermore, financing horticulture, sericulture, and renewable energy projects, along with focusing on micro enterprises, can drive inclusive growth and foster entrepreneurship in the state. By supporting these sectors, banks can contribute to Telangana's overall economic development and sustainability.
- Government of Telangana requires ₹1,600 crore in financial support from banks under the Rajiv Yuva Vikasam scheme. In light of the scheme's importance for youth development and employment generation, banks are urged to prioritize and expedite the processing of applications, ensuring timely credit support for its effective implementation.
- The Namo Drone Didi initiative will see 79 drones allocated to Telangana, with 80% cost funded by the Government of India. Banks are requested to support SHGs by extending loans under AIF for drone acquisition and EV-based logistics.

- The Telangana State Budget has earmarked ₹20,000 crore annually for five years to provide interest-free loans to SHGs—a major enabler for establishing women-led Micro and Small Industrial Parks.
- Telangana has been allocated ₹800 crore under RIDF. So far, ₹4,575 crore has been disbursed against ₹6,491 crore sanctioned. Banks are urged to extend support to allied sectors—especially fisheries—by leveraging FIDF and other GoI schemes for infrastructure like processing units, and cold chains.
- With RBI's enhanced PSL guidelines for FPOs (Direct Agriculture Finance: Loans up to ₹2.0 crore; Indirect Agriculture Finance: Loans up to ₹5.0 crore; Loans to FPOs with 75% SF/MF shareholders count towards PSL-Agriculture SF/MF target of 8%.) and interest subvention available under AIF, banks have a timely opportunity to provide structured, low-cost finance to FPOs.
- The credit potential for FY 2025–26, launched during the State Credit Seminar on 14.02.2025, is estimated at ₹3.86 lakh crore, a 37.8% increase over the previous year.
- Agriculture accounts for ₹1.63 lakh crore (42.22%), including ₹0.87 lakh crore for crop loans, ₹0.07 lakh crore for allied activities, ₹0.69 lakh crore for term loans, ₹7,251 crore for infrastructure, and ₹16,152 crore for ancillary activities.
- MSME credit potential stands at ₹2.03 lakh crore (53% of total), up from 43% last year, highlighting its growing importance. Other priority sectors account for ₹0.19 lakh crore.
- Despite achievements, challenges remain, including the lack of granular data on Agri Term Loans, which affects projections. The mismatch of credit flow data across districts also leads to inaccurate reporting under ACP achievements. He requested SLBC to advise banks to ensure proper documentation and accurate reporting at the place of credit.
- He concluded by adding that the ultimate goal is inclusive, need-based, and impactful credit delivery. Banks to go beyond targets and ensure that credit truly reaches the underserved—landless farmers, SHG members, micro entrepreneurs, and rural youth.

Shri Chinmoy Kumar, Regional Director, Reserve Bank of India, congratulated Banks on launch of ACP for 2025-26. He spoke on the occasion as under:

- He urged upon Banks to expedite process of Re-KYC and discussed on issues related to KYC/re-KYC and reactivating of inoperative/frozen accounts.
- In respect of inactive Business Correspondents (BCs), he reiterated that BCs act as agents for multiple banking and financial institutions and the inactive BCs are to be reactivated or closed at the earliest.

- DFS has asked Banks to have Grievance redressal mechanism for various government sponsored schemes and this needs to be ensured.
- While talking about Financial Literacy Activities, he expressed that only when FLC targets are met, Credit linkages will go up with financial literacy.

Introduction

In order to take forward the objective of covering all eligible populations under the APY, PFRDA is pleased to launch the **APY CITIZEN's CHOICE Campaign (H1P2)** for **SLBCs/UTLBCs** & **State Coordinators of banks**.

The campaign aims to reach the uncovered eligible population across all states and bring them under the ambit of the Atal Pension Yojana (APY). The objective is to enhance APY enrolments, ensuring that citizens are financially empowered to live with dignity during their silver years after the age of 60.

The Campaign is aimed at **State Coordinators of banks**. We believe that through this campaign, SLBCs and UTLBCs would be able to witness significant progress in achieving their annual targets allocated by DFS, Ministry of Finance, Govt. of India, for FY 2025-26 in coordination with their State Coordinators of banks.

About the Campaign

We have begun this financial year on a strong note by achieving the **fastest 30 lakh enrolments** in the history of APY. Building on the momentum of previous years, we are confident of reaching even greater milestones in the year ahead.

The "**APY CITIZEN'S CHOICE (H1P2)**" campaign is primarily focused on maximizing the number of Atal Pension Yojana accounts by leveraging the extensive branch network of all banks in the respective SLBC/UTLBC. PFRDA recognizes and values the efforts of the top performers who work diligently towards the expansion of the APY and play a crucial role in elevating the scheme to new heights. As a result, the campaign aims to reward these outstanding performers.

All SLBCs and UTLBCs are requested to encourage State Coordinators of banks under their jurisdiction to achieve the minimum APY Accounts Per Branch (AAPB), during the campaign period as per the table below:

**Subject: Campaign for Saturation of FI Schemes at GP level in all districts from
01.07.2025 to 30.09.2025-reg.**

Sir/Madam,

Financial inclusion schemes of the Government of India play a critical role in empowering the underserved sections of society by ensuring equitable access to formal financial services. These initiatives have helped bring millions of unbanked individuals into the banking fold and laid the foundation for inclusive and sustainable economic growth.

2. With a view to enhance the penetration of Financial Inclusion flagship schemes i.e PMJDY, PMJJBY, PMSBY, APY and Re-verification of KYC for existing inactive PMJDY accounts, it has been decided to launch a 3 month saturation campaign covering all the Gram Panchayat's of the country from 01.07.2025 to 30.09.2025. Our endeavour is to ensure that every eligible citizen should get the benefits of these schemes. Necessary communications have also been sent to State & District Administration in this regard.
3. In view of above, I would like to request you to instruct your SLBCs & LDMs to organize a 3 months intensive campaign in all the districts of the country covering all the Gram Panchayat's for saturation of beneficiaries under the said schemes.
4. We would like to reiterate that PMJJBY & PMSBY are consent based schemes with premium paid by individual beneficiaries through debit to their bank account with their explicit consent. It is utmost important that before enrolling the beneficiary's under these schemes banks, consent should be obtained from them for debiting the premium from their accounts.

5. Banks/ SLBCs have a stellar role to play in bringing these schemes to the reach of the unserved segments. I am sure that with our coordinated efforts in the campaign, left out eligible persons will be duly identified and enrolled under above mentioned schemes.

Yours faithfully,

(Parshant Kumar Goyal)
Joint Secretary (FI)

Subject: Expanding scope of Campaign for Saturation of FI Schemes (01.07.2025 to 30.09.2025) – Inclusion of awareness sessions on digital fraud & ways to access unclaimed deposits and Re-Kyc of all Account holders

Sir/Madam,

As you are aware, the Department of Financial Services (DFS) is scheduled to launch a three-month nationwide campaign from 01.07.2025 to 30.09.2025 to enhance saturation of Financial Inclusion (FI) schemes at the Gram Panchayat (GP) level across all districts of the country. The objective of the campaign is to empower underserved communities by ensuring universal access to formal financial services. Relevant communications, along with a detailed Standard Operating Procedure (SOP), have already been shared with all stakeholders.

2. A preparatory meeting in this regard was held on 19.06.2025 under the chairmanship of Secretary (FS), with participation from Chief Secretaries of States/UTs and SLBC/UTLBC Convenors to deliberate on the modalities in implementation of the campaign.
3. During the meeting, some State Governments highlighted the concern over increasing instances of digital fraud and the urgent need to enhance public awareness in this regard. Further, RBI vide their letter dt 20.06.2025 highlighted the need of educating the public on accessing unclaimed deposits and the available grievance redressal mechanisms. Accordingly, it has been decided that **awareness sessions on digital fraud prevention and ways to access unclaimed deposit & grievance redressal** will be an integral part of the campaign and shall be conducted at each camp sites by the organising banks.
4. The SOP for the campaign dated 16.06.2025 includes re-verification of KYC for inactive existing PMJDY accounts. Subsequently, RBI has also advised that Re-KYC of other account

holders be included as well. Accordingly, the campaign will now cover **Re-KYC of all account holders, including inactive PMJDY accounts**

5. It is again reiterated that the campaign should be given wide publicity through both print and electronic media. The exact dates of the camps and the activities covered therein should be publicised through advertisements in the local media having high circulation, notice boards of the bank branches, Gram Panchayat and local government offices, etc. Banners and posters of the schemes in the local language may also be displayed at prominent places in the vicinity. **Distributing claims under PMJJBY/ PMSBY (if any) may also be done at the camp site as it could encourage more people to enrol under these schemes.**

5. Banks and SLBCs are expected to play a pivotal role in both saturating the FI schemes among the eligible population and spreading awareness on digital fraud prevention. With our coordinated efforts, we are confident that the campaign will effectively reach the remaining eligible beneficiaries and enhance digital financial literacy among the masses.

Yours faithfully,

(Parshant Kumar Goyal)
