FOREWORD

It gives me great pleasure to note that the Annual Credit Plan (ACP) for the year 2026–27, is finalised by State Level Bankers' Committee (SLBC), Telangana, with a total outlay of ₹ 9,72,253 crores. It is appreciable that Priority Sector lending targets are projected at ₹ 4,34,015 crores with major share of ₹ 2,30,491 crores marked for lending to MSME. The ACP serves as a vital policy instrument that aligns institutional credit with the developmental priorities of the state and plays a pivotal role in driving sustainable and inclusive economic growth.

Telangana has emerged as one of the fastest-growing states in the country, with remarkable progress across sectors such as agriculture, irrigation, industry, services, and infrastructure. The Government has been consistently focusing on farmer welfare, promotion of MSMEs, strengthening of rural livelihoods, and fostering innovation-driven entrepreneurship. In this journey, the banking sector has been an indispensable partner, ensuring the timely availability of credit to all segments of society.

I am confident that the implementation of the ACP 2026-27 will result in strong emphasis on priority sector lending, including agriculture and allied activities, MSMEs, self-employment initiatives, financial inclusion and ensures supporting new-age sectors, startups, and digital financial ecosystems that contribute to economic diversification.

I commend the efforts of SLBC Telangana, for their collaborative approach with member banks, NABARD, LDMs and all stakeholders in formulating this robust and realistic credit plan. I am sure Banks will strive to achieve the Credit Plan targets for the current Financial Year. I urge all banks and financial institutions to ensure effective implementation of the plan by enhancing credit outreach, simplifying processes, and adopting innovative financing solutions. With continued synergy between the Government and the banking sector.

I am sanguine that Telangana will achieve new milestones in economic growth, social equity, financial inclusion and the other objectives of Telangana Rising Vision 2047.

FOREWORD

I am happy to note that State Level Bankers' Committee has finalized Annual Credit Plan (Banks) for the financial year 2026-27 with an outlay of ₹ 9,72,253 crores. The Priority Sector lending target of ₹ 4,34,015 crores with a lion's share of ₹ 2,30,491 crores set for MSME lending is laudable. It is a comprehensive document that reflects the strategic direction of credit deployment in alignment with the State's development agenda.

Credit plays a critical role in enabling economic activities, promoting entrepreneurship, and improving livelihoods. The ACP provides a structured framework for channelizing institutional credit to priority sectors such as agriculture, MSMEs, education, housing, and other key segments. It also emphasizes the importance of extending financial services to underserved and vulnerable sections of society.

Special focus has been given to enhancing credit flow to agriculture and allied sectors, strengthening MSMEs, and promoting self-employment opportunities, which are essential for employment generation and rural development.

I call upon all banks and financial institutions to adopt a customer-centric approach, leverage technology for better service delivery, and work closely with government agencies to achieve the targets set under the plan. I am confident that the Annual Credit Plan 2026–27 will significantly contribute to the State's economic progress and inclusive development.

I congratulate the Convener Bank State Bank of India, all the Lead District Managers, departments involved in preparation of Annual Credit Plan and look forward for total involvement of all the banks in achieving ACP targets to improve the economic conditions of the priority segments of the State.

FOREWORD

I am happy to note that the Annual Credit Plan (Banks) for the financial year 2026-27 with an outlay of ₹ 9,72,253 Crores is ready for launch. Guided by the potential estimates of NABARD, a target of ₹ 4,34,015 Crores with an increase of 11.80% over that of FY 2025-26, is set for Priority Sector lending by Banks. Telangana's growth story continues to be robust, driven by progressive State policies and entrepreneurial spirit. The banking sector's role in this journey is to ensure seamless credit flow to all segments.

Banks have been achieving targets under Agriculture over the years and for the FY 2026-27, an amount of ₹ 1,81,035 crores i.e., 41.71 % of total Priority Sector target has been allocated for lending under Agriculture. Supporting investment credit is essential to create sustainable incomes for the farmers and a target of ₹84,115 crores have been set for lending under Agriculture Term Loans.

In this direction, ₹ 2,30,491 crores i.e., 53.34% of Priority Sector target has been allocated for lending to MSME, with an increase of ₹ 26,926 crore over previous year. This significant allocation aims to support the growth of micro, small and medium enterprises, which are crucial for job creation and economic development.

The success of the ACP depends on coordinated action at the ground level. I urge all member banks, LDMs, and government departments to work as one team to achieve not just the quantitative targets, but also qualitative outcomes in financial inclusion and customer service. SLBC Telangana will continue to monitor, facilitate, and resolve bottlenecks through regular reviews and sub-committee meetings.

I congratulate the banks for achieving 109.47% of the Annual credit plan targets for the FY 2025-26, 86.85% of Priority sector targets and solicit augmented efforts from Banks to achieve targets set for the current Financial Year 2026-27.

I place on record our sincere thanks to RBI, NABARD and line departments of Government of Telangana, more particularly the Finance Department, Agriculture Department and the LDMs who have helped in finalizing the ACP for the FY 2026-27. I am confident that with our shared resolve, the banking sector will contribute significantly to realizing the Telangana Vision 2047.

Culture

'South of North and North of South,' Telangana State has long been a meeting place for diverse languages and cultures. It is easily the best example for India's composite culture, pluralism and inclusiveness. Located on the uplands of Deccan plateau, Telangana is the link between the North and South of India. It is thus no surprise that the region on the whole came to be known for its Ganga-Jamuna Tehzeeb and the capital Hyderabad as a 'miniature India!'

Geography, Polity and Economy of the region determined the culture of Telangana. Satavahanas, the earliest known rulers of the region sowed the seeds of independent and self-sufficient village economy, the relics of which can be felt even today. In the medieval times, the Kakatiya dynasty's rule, between the 11th and 14th centuries with Warangal as their capital, and subsequently the Qutub Shahis and Asafjahis, who ruled the Hyderabad state defined the culture of the region.

Art forms

Some classical art forms received the royal patronage and attained finesse. However, the art forms of the innumerable communities spread across the length and breadth of the State give Telangana its distinct identity.

While the Kakatiya rule led to evolution of dance forms such as Perini Sivatandavam, also known as 'dance of warriors', the commoners, faced with the challenges of daily life developed traditions of story-telling coupled with solutions to tide over them through GollaSuddulu, OgguKathalu and Gotralu etc.

Several art forms like above mingled and new forms emerged. The ubiquitous 'Dhoom Dham' is one such evolved and composite art form. They were generally about the struggle and exploitation. People adopted the old sensibilities of theatre and art changing the content as per the case and place.

A variant of Yakshagana, Chindu Bhagavatham is performed widely across Telangana. It is a theatre art form that combines dance, music, dialogue, costume, make-up, and stage techniques with a unique style and form. The word 'Chindu' in Telugu means 'jump'. As their presentation is interspersed with leaps and jumps, it gained the name of Chindu Bhagavatam. Most of the stories narrated are from 'Bhagavatam'.

Qawali, Ghazals and Mushairas evolved under the patronage of Qutub Shahi and the Asafjahi rulers in and around the capital city of Hyderabad.

Festivals

The Hindu festivals like Ugadi, Srirama Navami, Bonalu, Vinayaka Chaturthi, Dasara, Deepavali, Sankranti, Holi, Mahashivaratri are celebrated with pomp, gaiety and devotion. Dasara is the main festival with the epithet 'peddapanduga'.

Bathukamma, a part of Dasara festivities, is unique to Telangana. This colourful festival has historic, ecological, societal and religious significance. Women clad in glittering costumes and jewellery carry beautifully stacked Bathukammas with flowers like Tangedu, Gunugu, Chamanti and others to the village or street's meeting points.

While Ramzan is the main festival of Muslims, Moharram too is celebrated on a large scale in Telangana. It is known famously as 'peerla panduga.' Pir means Master. Many Hindus take part in the festival.

Christians, mainly in and around Hyderabad celebrate Christmas and Good Friday with great fervor and religiosity.

Arts and Crafts

Telangana is a great place for arts and crafts with many astounding handicrafts.

Bidri Craft

It is a unique art of silver engraved on metal with Black, gold and silver coatings applied on it. The process involves several stages like casting, engraving, inlaying and oxidizing. The name of this art form is derived from a town called Bidar (currently part of Karnataka) of the erstwhile Hyderabad state.

Banjara Needle Crafts

Banjara Needle Crafts are the traditional handmade fabrics made by Banjaras (the tribal Gypsies) in Telangana. It is a form of embroidery and mirror work on fabrics employing the needlecraft.

Dokra Metal Crafts

Dhokra or Dokra is also known as bell metal craft and is widely seen in Jainoor Mandal, Ushegaon and Chittalburi in Adilabad district. The tribal craft produces objects like figurines, tribal gods, etc. The work consists of folk motifs, peacocks, elephants, horses, measuring bowl, lamp caskets and other simple art forms and traditional designs.

Nirmal Arts

The renowned Nirmal oil paintings use natural dyes for depicting themes from the epics such as Ramayana and Mahabharata. Also, the wood paintings and other wooden articles, have great

aesthetic expression. The origin of the Nirmal craft is traced back to the Kakatiya era. The motifs used for Nirmal craft are floral designs and frescoes from the regions of Ajanta and Ellora and Mughal miniatures.

Bronze Castings

Telangana is famous world-wide for its amazing Bronze castings. While using solid casting of icons, the mould is created using several coatings of different clays on a finished wax model. This process then imparts fine curves to the cast image.

The Telangana government has announced the following four icons for the State:

- The State Bird - **Palapitta** (Indian Roller or Blue Jay).
- The State Animal - **Jinka** (Deer).
- The State Tree - **JammiChettu** (Prosopis Cineraria).
- The State Flower - **Tangedu** (Tanner's Cassia).

These icons reflect the culture and tradition of Telangana state and three of them - Tangedu flowers, Blue Jay and JammiChettu - are associated with the popular festivals of Batukamma and Dasara. While Tangedu flowers are used in stacking of Batukammas, spotting the Blue Jay on Dasara is considered a good omen and people worship JammiChettu on that day.
