Shri. Satish Kumar, General Manager, SBI & Convenor, SLBC Telangana in his opening address appraised the forum about the deliberation had in the stakeholders meeting held on 31.10.2026, about the Relief Measures to be extended by the Banks in view of the prevailing Drought in Telangana.

Thereafter, Shri. V Gopala Krishna Murthy, AGM, SLBC made a detailed presentation on drought relief measures to be extended for Kharif 2026, in line with the guidelines given in G.O of Govt. of Telangana / RBI Master Directions.

Shri. Sanjay Jaju, IAS, Hon'ble Chief Secretary, Government of Telangana, said:

- Highlighted the deficit in southwest monsoon rainfall and said that drought had been declared in 365 mandals across the State, comprising 111 severely affected and 254 moderately affected mandals, with adverse implications for agricultural productivity and farmers' livelihoods.
- Called upon banks to proactively undertake restructuring and rescheduling of eligible agricultural loans, ensuring that affected farmers receive timely financial relief and adequate fresh credit support.
- Emphasised that banks should extend appropriate relief measures through moratoriums and enhancement of repayment periods, wherever applicable, covering agricultural short-term and long-term loans, including agro-processing and food-processing activities.
- Urged banks to utilise the CIMS portal for submission of calendar notifications and implementation of resolution plans and complete the entire restructuring exercise within the next three to four months.
- Stressed the importance of close coordination among banks, District Collectors, Agriculture Department officials and farmer organisations to ensure effective implementation of relief measures at the field level.
- The State Government had submitted a memorandum to the Government of India seeking necessary assistance to address the prevailing drought situation.
- Highlighted the need to promote climate-resilient agriculture, crop diversification, allied agricultural activities and additional livelihood opportunities to reduce farmers' dependence on rain-fed agriculture and to improve income.
- Emphasised the importance of water conservation and efficient utilisation of available water resources and called for concerted efforts to strengthen the resilience of the agricultural sector.
- Called upon Banks, NABARD and all concerned Government agencies to work collectively with a sense of urgency and commitment to minimise farmers' distress and safeguard rural livelihoods.

Shri. Tummala Nageshwara Rao garu, Hon'ble Minister of Agriculture, Marketing, Co-operation and Handlooms & Textiles, Telangana, said:

- The difficulties faced by the farmers in view of the prevailing El-Nino phenomenon. He urged concerned government departments to create awareness among the farmers on water conservation practices and encouraging the cultivation of low water consuming crops such as pulses and oil seeds.
- Emphasised that banks should accord top priority in restructure of loans of farmers effected by drought and extend need based additional finance.
- The importance of activities such as Oil Palm Cultivation, Drip Irrigation, Sprinklers irrigation and other allied activities aimed at enhancing farmers income and promoting sustainable agriculture.
- Called upon district administration to extend necessary support and coordinate with banks for the effective implementation of drought relief measures.
- Urged focused efforts of Banks in Agriculture lending and strive to surpass the allocated targets for the financial year.

Shri. Bhatti Vikramarka Mallu, Hon'ble Deputy Chief Minister of Telangana, said:

- Highlighted the challenges faced by farmers due to drought conditions, he urged banks to extend necessary support to eligible affected farmers through loan restructuring and rescheduling, wherever applicable and ensure for timely availability of fresh credit based on their requirements.
- Stressed the importance of creating widespread awareness among farmers about the relief measures and assistance available to them, with particular attention to small and marginal farmers, eligible tenant farmers and family's dependent on agriculture & allied activities.
- Called for promoting crop diversification, allied activities, scientific storage facilities, food processing and Farmer Producer Organisations (FPOs) to strengthen farmers' incomes and improve resilience in the agricultural sector.
- Emphasised the need for close coordination between banks and various State Government departments to ensure timely credit delivery, effective implementation of relief measures and inclusive economic growth across Telangana.
- Recognising the important role of Self-Help Groups (SHGs) in women's

empowerment and rural economic development, he called upon banks to extend proactive financial support to SHGs.

- Emphasising the importance of MSMEs and the service sector as key drivers of employment generation and economic growth, expressed the need for banks to strengthen credit flow to these sectors.
- Urged banks to identify the existing gaps in achieving sectoral lending targets, address the constraints and adopt a proactive approach to meet the growing credit requirements of entrepreneurs and businesses in the State.
- Appealed to all banks, financial institutions and Government departments to work together as partners in development, ensuring that institutional credit reaches the intended beneficiaries and contributes meaningfully to the achievement of Telangana's development aspirations and Telangana Rising Vision 2047.

RESOLUTIONS EMANATED FOR EXTENDING DROUGHT RELIEF MEASURES BY BANKS FOR KHARIF 2026

1. The relief framework mandates to be covered, resolution of exposures of borrowers impacted by a natural calamity declared by the State Government for Kharif 2026, such as eligible agricultural short-term loans, agricultural term loans, agro-processing / food-processing units and other agriculture dependent activities, were recommended for implementation by member banks, subject to applicable RBI Directions and the respective Bank's Board-approved policies.

2. The objective criteria for identifying impacted borrowers and the extent of moratorium period required, as under:

- For eligible borrowers in the 254 moderately affected mandals, a moratorium of 12 months and extension of the total repayment period up to 36 months as resolved, inclusive of the moratorium, may be considered.
- For eligible borrowers in the 111 severely affected mandals, a moratorium of 12 months and extension of the total repayment period up to 60 months, inclusive of the moratorium, may be considered.

3. Member banks shall identify eligible accounts on suo-moto basis to initiate the applicable relief process without waiting for borrowers to approach the bank, wherever deemed fit, with a suitable communication to the borrower.

4. Sanction of additional need-based finance may be provided to eligible affected borrowers to address the financial stress, for restoration and continuation of productive activities, subject to borrower-wise viability assessment, projected cash flows and respective Bank's Board-approved policies.

5. Bank shall also make available the option for the borrower to opt out of the resolution plan at any point till the end of 135 days from the date of declaration of calamity i.e, 24.10.2026.

6. The insurance proceeds, if any, upon receipt shall be adjusted towards the 'restructured accounts' in cases where fresh loans have been granted to the borrower. However, a bank may consider restructuring and sanctioning fresh loans without waiting for the actual receipt of the claim, in accordance with the applicable RBI / Bank's Board approved framework.

7. Eligible Interest Subvention and Prompt Repayment Incentive benefits shall continue to be extended in accordance with Government guidelines.

We request the Govt. of Telangana to take up the matter with Govt. of India, for extending interest subvention benefit in rescheduled crop loans affected by drought, till the repayment term ends, to benefit the farmers.

8. Member banks shall adopt a humane, empathetic and professional approach towards affected borrowers and comply with applicable RBI instructions on responsible business conduct and recovery practices.

9. Relief measures already provided/being provided by the Government of India / State Government shall be duly factored into the process.

10. LDMs were advised to conduct a special DCC meeting by 20.11.2026 and submit minutes of the meeting to SLBC by 25.11.2026. DCC shall monitor district-level implementation and submit periodic reports to SLBC Telangana.

11. SLBC and member banks shall ensure adequate publicity and awareness regarding the relief measures through newspapers, banners, brochures, websites, SMS/digital channels and field-level programmes.

12. The Convenor Bank shall monitor and consolidate implementation status and place progress before the appropriate forum, from time to time.

13. A Sub-Committee was formed to deliberate on specific issues related to restructuring / need based additional finance in respect of allied activities including Poultry, Dairy, Fisheries, Sheep, Goat, Piggery etc., The recommendations submitted by the Sub-Committee are resolved, which are given as under:

- Provide moratorium period of 12 months for term loan installments / Interest which are falling due for the next one-year w.e.f 24.10.2026 and repayment to be extended for One year.
- Need based sanction of additional working capital/fresh finance as term loan with repayment period of 36 months (including 12 months moratorium) to address the financial stress of the borrower, as per the unit cost provided by NABARD.

14. NABARD is requested to advise the revised unit cost for various activities by 17.11.2026, to enable the Banks in extending fresh/additional finance.
