#### **g. CFL (Centre for Financial Literacy)**

The idea of Centre for Financial Literacy (CFL) was sown when the Reserve Bank of India came out with an approach paper on National Strategy for Financial Inclusion 2019-24 to accelerate Financial Inclusion to promote economic wellbeing, prosperity and sustainable development. The vision of this document is to provide universal access to formal financial services in an affordable manner to all the citizens in a safe and transparent manner to support inclusive and resilient growth with broadening & deepening financial inclusion and promoting Financial Literacy and Consumer protection. It also aims to provide access to livelihood and skill development.

To address the barriers of access to a gamut of financial products and services, Reserve Bank of India has come out with “Centre for Financial Literacy” at block level by involving Banks and NGOs.

State Bank of India being the Lead Bank in 20 Districts is partnering for setting up of 103 CFLs. The other Banks partnering in Telangana are Union Bank of India- 47 CFLs in 9 Districts and Canara Bank- 21 CFLs in 4 districts.

#### **h) DIGI DISTRICTS :: For 100% Digitally enabled districts:**

All 33 Districts in the state are digitally enabled districts.

#### **i) NABARD FI Fund Utilisation:**

NABARD has been extending grant assistance under Financial Inclusion Fund (FIF) to SCBs, RRBs and RCBs various financial inclusion and banking technology related interventions. Concerted efforts of all stakeholders have brought notable progress in creating financial awareness and delivery of financial services. However there still exist regions which are financially excluded and banks where technology adoption is inadequate thus preventing equitable spread of financial services.

To address these disparities NABARD has adopted a Differentiated Approach by identifying the Special Focussed Districts (SFDs) on the basis of their physical economic and sociological characteristics. Eight Special Focussed Districts (SFDs) (Adilabad, Bhadradi Kothagudem, Jayashankar Bhupalapalli, Kumram Bheem Asifabad, Mancherla and Mulugu) have been identified in Telangana as SFDs and efforts are on to give more emphasis on financial inclusion interventions in these districts.

Some of the schemes for support under FIF and their progress are indicated in **Annexure - ‘I’**.

### **Agriculture Infrastructure Fund - Progress:**

Under Agriculture Infrastructure Fund (AIF), a Project Management Unit (PMU) has been setup in Agriculture Department, GoT to provide handholding support to stakeholders like bankers, potential entrepreneurs and State Government officials and facilitate smooth implementation of the AIF scheme. The allocation under AIF to Telangana is ₹3,200 crore. The target achieved is ₹3018.33 crore as on 31.12.2024.

Agri Infra Fund is a Top-up scheme which can be converged with all other Central and State Government schemes. MoA&FW is creating modules with each of the schemes for easy availability of multiple schemes benefits by the applicants. Convergence of multiple schemes will facilitate the 'whole of government approach' of putting the benefits on a single platform across ministries with ease.

The PMU-AIF will facilitate the stakeholders to prepare the Detailed Project Reports (DPRs), co-ordination with the Central Project Management Unit (CPMU), banks and other financial institutions and potential entrepreneurs, reporting the status of the implementation of AIF scheme to various state level and district level forums like SLBC, DCC and BLBCs.

**vii) Financing of Farmers' Producer Organization**

Collectivization of producers, especially small and marginal farmers, into producer organizations has emerged as one of the most effective pathways to address the many challenges of agriculture but most importantly, improved access to investments, technology, inputs and markets. Aggregation and consolidation provide a means for these farmers to unite and reap the benefits of economies of scale, making this a critical means to create new growth.

- In Telangana state, NABARD has promoted and sanctioned grant assistance to 379 FPOs. Out of the 379 NABARD supported FPOs, 177 FPOs have been successfully Credit Linked with the formal

banking channel. Credit totaling to ₹4426.59 lakh has been sanctioned by APGVB, Adilabad DCCB, TGCAB, NABKISAN, HDFC Bank, SBI, Canara Bank, Indian Bank, Kotak Mahindra Bank.

- Further, NABARD has also supported FPOs with ₹891.19 lakh as Business Development Assistance (BDA) to 187 FPOs. Further credit linkage will enable FPOs to expand and diversify business to achieve self-sustainability.

#### **Central Sector Scheme (CSS) for Formation and Promotion of 10000 FPOs:**

- Under CSS in Telangana, so far 300 FPOs are being nurtured through 5 implementing agencies, 25 Cluster Based Business Organisations (CBBOs) and 2 Value Chain Organisations (VCOs).
- 27 FPOs promoted by NABARD have availed equity grant assistance to the tune of Rs. 1.75 cr. With sufficient equity base and a bankable business plan, these FPOs are now ready to take next step towards credit linkage.

Timely and adequate availability of Institutional Credit is vital to the sustainability of FPOs. To facilitate Rural Financial Institutions (RFIs) to finance FPOs, NABARD has already issued circular no. 297 dated 28.10.2020 to All State Cooperative banks with a guidance note on FPO financing.

Besides, RBI has included financing to FPOs up to ₹2.0 Crore under Direct Agriculture Finance under the PSL and loans up to ₹5.0 crore to FPOs were included under Indirect Agriculture Finance. Further, the financing to FPOs, where more than 75% shareholders are small and marginal farmers (by Number), will be considered as achievement under PSL-Agriculture- SF/MF on-lending target of 8%. Hence banks may consider FPOs for Working Capital and Term Loan lending.

#### **Convergence with Tribal Welfare Department, GoTS:**

40 FPOs with predominant Tribal farmers as shareholders have been supported with total grant support of Rs. 1163.29 lakh from TRICOR for creation of agri-infrastructure viz. storage godowns, value addition units, cold storage and custom hiring centre under their special scheme for FPOs. These FPOs were also supported by NABKISAN, HDFC, SBI, TGCAB for credit linkage. There is delay in sanctioning credit facility as per the scheme guidelines due to issues such as land availability, expiry of sanction etc. The issues may be discussed with FPOs and resolved expeditiously.

#### **Credit Guarantee for Financing to FPOs**

Under the CSS, a dedicated Fund of Rs. 1,500.00 crore has been created as CGF which is being maintained and managed by NABSanrakshan to provide credit guarantee cover for loans to FPOs by eligible lending institutions thereby minimising their credit risks and encouraging them to provide collateral free credit to the FPOs. The major features of Credit Guarantee Fund Scheme are as under

Project Loan	Credit Guarantee Cover	Ceiling
<Rs.1 crore	85% of bankable project loan	Rs.85 lakh
Rs. 1-2 crore	75% of bankable project loan	Rs.1.5 crore
>Rs.2 crore		Rs.2 crore

- Applicable to both Term Loan and Working Capital and does not require any collateral security or third-party guarantee (including personal guarantee of Board of Directors/Governing Body Members).

#### **Interest Subvention under Agriculture Infrastructure Fund:**

- FPOs are eligible for interest subvention of 3% p.a. for loans with ROI less than or equal to 9%

- Eligible activities under AIF – storage infrastructure warehouse, silos, cold storage, custom hiring centres – farm machinery and implements, Remote Sensing & IOT, Smart & Precision Agriculture, primary processing centres, cleaning, drying, sorting, grading etc

#### **Agri-value Chain (AVC) Financing involving FPOs:**

- FPOs are important components of AVC as they are involved in purchase of inputs and aggregation, processing & marketing of outputs.
- AVC financing involves financing the entire value chain by focusing on the value added and the credit requirement of all actors and stakeholders.
- FIs can benefit from AVC Financing by leveraging existing information within the value chain viz. nature of customer demand, information on key participants, markets etc.
- This can help FIs in mitigating credit risk while providing multiple financial services, improving economies of scale, reducing transaction costs thus increasing profitability.

#### **Way Forward:**

- a. Bankers to improve for credit linkage of those FPOs who have availed equity grant assistance/business development assistance. Banks may facilitate interaction of the branch managers of the concerned bank to visit the FPOs, assess the credit needs and facilitate credit linkage.
- b. Banks can avail credit guarantee from NabSanrakshan Trustee Private Limited, a wholly owned subsidiary of NABARD.
- c. Bankers may also explore the new business opportunity through AVC financing by understanding commodity specific value chain, identifying the potential and challenges through feasibility study and stakeholder consultations, mapping interventions and customizing appropriate financial products.

- Finally, he impressed upon the Banks to focus more on skill development to rural youth, for creating employment generation effectively.
- Further he opined that though there is an increase in digital banking, Pos machines, UPI etc., in respect of DBT programs, Telangana lags behind and it has to be improved in cooperation with the Banks.
- He opined that Success stories included are to be more inspiring.
- He further added that investments in Equity Markets and Mutual Funds have increased.

<h3>Introduction</h3>	<p>In order to take forward the objective of covering all eligible populations under the APY, PFRDA is pleased to launch the APY CITIZEN'S CHOICE Campaign for SLBCs/UTLBCs &amp; State Coordinators of banks.</p> <p>The Campaign aims to target the uncovered potential population in all states across the country and bring them under the ambit of the Atal Pension Yojana. The target is to increase the APY enrolment so that they can live respectfully in their vulnerable years after 60 years.</p> <p><b>The Campaign is aimed at State Coordinators of banks.
